

## Issue No. 75: Labor Day Deals Ahead

---

Unbelievably, Labor Day is just a few short days away and, with it, the unofficial end of summer. Kids are back in school (hallelujah), the heat will soon break (double hallelujah), and a celebratory three-day weekend coupled with annual Labor Day sales are just around the corner. What better way to enjoy Labor Day than enjoying some savings?

Below you'll find some great deals you don't want to miss.

### The Better Alternative

Amazon and Wayfair may try to entice you with inexpensive home goods, but if you're in need of furniture, rugs, lighting, or other home goods, [Overstock](#) is a better option. The founding CEO is a major Trump supporter, and the current CEO ran as a Republican for governor of Utah. Not to mention, right now Overstock has sales ranging from 10% to 60% off depending on the product. Make some time over the long weekend to peruse their impressive inventory and see what you can save.

If you're in the market for a mattress—another Labor Day staple—we recommend [Tempur-Sealey](#). Perhaps the company's most famous brand, [Tempur-Pedic](#), is having a Labor Day sale with up to \$700 in savings, so mark your calendar! Even more importantly, the corporation [supports life](#) through donations to faith-based organizations and adoption charities.

### Business Spotlight

Ladies, whether you're looking for one last summer dress or you're already preparing your winter wardrobe, [Nspire Boutique](#) is a Christian business offering feminine, trendy styles for all seasons. They love the mission of Align, so they're having an early Labor Day sale just for you.
